Payment Options: Foreign Students

Full settlement of tuition fee to be paid on/before and no later than registration day. A letter of registration will not be issued until all fees are settled. All foreign transfer fees must be covered by the student.

Withdrawal Procedure

Due to a limited intake of students, first year and first time students are granted a withdrawal period until 5 February 2024. Should a student decide to withdraw from the programme, after registration and commencement of studies, he/she is required to furnish the institution with a notice of withdrawal and signed De-registration forms by no later than 5 February 2024. The institution will refund all monies paid, **excluding** the non-refundable administration fee of R14 000.00 and enrolment fee of R30 000. Should a student fail to furnish the institution with the withdrawal notice as specified, he/she will be liable for the full year's tuition fees as the institution will have no reasonable potential, acting diligently, to find an alternative student for the remainder of the academic year due to the specialised services being provided. Students who have been registered prior to 2024 will not be granted a withdrawal period once they have registered on 11 January 2024.

Default on payments

Should you default on your chosen payment plan, interest (over and above the installment levy referred to in option 3 above) at the rate of 2% per month will be added to all outstanding fees which are due and payable until such time as all the outstanding amounts have been paid in full. Students whose tuition fees are in arrears may/will be barred from attending classes and their reports withheld until such time as the outstanding tuition fees have been paid up to date, as per their chosen payment plan.
